

## Immunology

- National Hitchhiker's Immunology training days (approximately 3 a year)
- BSACI allergy training days (2-3 a year)
- Regional Immunology Network Meetings in London (3 a year)
- Regional Allergy Network meeting (2-3 per year)
- ALS course
- Management course
- In their five-year training period trainees must attend at least:
  - one National BSACI meeting
  - one UKPIN meeting
  - and one international EAACI and ESID meeting  
(trainees can often get some sponsorship from pharmaceutical companies or travel bursary if they submit a paper or poster)
