

TA7-Criteria for New Trainers to Request Approval

1. Complete TA8-Pre-approval visit form
2. Must have completed approved Educational Supervisors/GP Trainers' course from any UK Deanery.
3. Must have done at least three years as post CCT GP or two years post CCT GP if already in training practice.
4. Attend local Trainers' groups; need to attend at least 50% of meetings in observational and developmental capacity.
5. Attend Health Education England Thames Valley deanery Faculty Day (usually) held in March and October.
6. Attend Work Place Based Assessment (WPBA) Nuts and Bolts course, there is one for CBD & COTs and one for ESR & Learning Logs. Expected to do at least WPBA CBD & COTs course before applying for an Approval Visit.
7. Write out an Educational Personal Development Plan.
8. Meet with local Programme Directors (PDs) who will look at pre-approval visit form and inform GP Admin if ready for Approval Visit.
9. This process could take six months to a year.
10. Once PDs have informed GP Admin then Approval Visit can be arranged.

Criteria for Existing Trainers to be assessed at Re-approval

1. Take part in a Training Practice Visit at least once every three years
2. Attend required number of Trainers' Meetings for the GP Training Scheme
3. "It would be exceptional for a Trainer not to attend two out of six Faculty Days" (i.e. two days over three years)
