‘The Language of Leadership: Finding your Own Voice’

**A personal and professional development programme
designed *for you and by you***

For doctors in training from ST1 and new leaders up to CT+2

**Create your own professional identity as a leader
and communicate with authenticity and impact**

A flexible five-day programme delivered virtually through one-day modules, 9.30 to 15.30, including breaks for coffee, lunch and tea as well as ‘working’ screen breaks during the day.

The programme consists of a one-day (mandatory) introduction to the programme:
‘Leadership Essentials’ -

Followed by a minimum of **four** from the following modules, which can be taken over a period of 1-3 years:

Module 1: The Leader and the Team: Working with Different Personality Types

Module 2: Strengths-based Leadership

Module 3: Leading in Adversity: Difficult Conversations and Challenging Situations

Module 4: Resilient Leadership: Developing Personal and Team Resilience

Module 5: Leading with Assertiveness, Compassion and Vulnerability

Module 6: Feedback: Leadership for a Learning, No-Blame Culture

Module 7: Leading Responsibly: Delegating without Abdicating

Module 8: Leading Change in an Uncertain World
