

## Study Leave Requirements for Anaesthetic Core Trainees in the HEE TV region

### Essential Courses (Required by curriculum)

RIACT

Prompt or other obstetric course

Mandatory local or regional teaching

1 adult and 1 paediatric resus course (current)

Paediatric anaesthetic course

Transfer course for ICU patients

Simulation course

### Desirable

Primary FRCA courses (1 each of MCQ / OSCE / Structured Oral Exam)

Conference at which poster / oral presentation

A second obstetric course ie whichever of regional training day / Prompt course not done

Quality improvement training course

Third resus course

Ultrasound course

Resilience course

ICM recruitment course

Human factors

ORICs

*This list is not exhaustive and courses which are not on the list will be considered on a case by case basis by the trainee's ES and TPD. The list will be reviewed and updated on a regular basis.*

Please note:

- any course costing  $\geq$  £700 be 'doubly approved' by both ES and TPD
- all applicants and approvers must sign a declaration on the application form to confirm that they have read the approve course list before signing requests off

### Return to Training Courses

These are funded from a separate RTT budget. There is an excellent locally provided RTT courses as well the RCoA Gas Again course. Funding for these courses should be applied for as part of an RTT plan – forms available on the HEETV website.
