Working Towards Dementia Friendly Dental Practice Audit Part One

Name:

Practice Name and Address:

Date audit was undertaken:

	Please tick ✓			Comments
	Yes	No	N/A	
1. Identify				
Is there a dedicated dementia champion within the practice?				
2. Staff				
Has at least one dentist, one nurse and a receptionist become a dementia friend under the Alzheimer's Society scheme?				
Have staff watched "the Appointment" dementia awareness film and used the accompanying resources in order to help raise awareness and move towards becoming more dementia friendly as a practice?				
Have case histories regarding dementia patients been discussed in team meetings?				
Has the practice taken part in any dementia awareness campaigns?				
Have you or members of your team attended a dedicated face to face training session on treating patients with dementia?				
Have you read journal articles or books specifically on care for patients with dementia?				
Have you researched online specifically on care for patients with dementia?
