

## HEE South Oral Surgery Curriculum Delivery Resource Matrix

Attendance at local/regional meetings, audit etc. will be supported and travel reimbursed if part of the training programme

Management courses are available through HEE SW and HEE TV&W

	Curriculum Competencies to be addressed	How will this be delivered	Cost
Year 1-3	Cone Beam CT training	Through HEE – virtually	Course Fee
	Implant training	HEE arranged.	Course Fee, accommodation, travel and subsistence for hands-on teaching.
Year 2	Experience of a national conference – alternative clinical techniques, best international speakers, evidence based research etc	British Association of Oral Surgeons	Conference fee, accommodation, travel and subsistence
Year 3	Experience of trainees forum – national political and educational issues	OS StR Training Forum	Conference fee, accommodation, travel and subsistence

### Notes

- A total of up to 30 days study leave per year, to include the study leave allocated for the completion of any MSc programme, is available.
- If a trainee has a training need not identified in the matrix, prior agreement by HEE SW or HEE TV & W (as appropriate) will be required..
- If a trainee is presenting a poster, paper or lecture at an appropriate conference or had reduced expenses by becoming a conference steward we would consider supporting this on a case by case basis. Travel to international conferences will not be supported.
- Study leave time is available for other meetings but not travel/accommodation/course fees.

- Core GDC CPD requirements will NOT be funded, this is an individual responsibility.
- Examinations – Travel and Subsistence will be available for the sitting of specialty examinations but not for resit examinations.
