

HEE Automatic Approved course list for GP Trainees

Automatic funding approval GREEN for all trainees, whether requiring extra support or not

| Course | Comments |
|---|---|
| Regional teaching | Mandatory release, no funding implications |
| HEE Thames valley provided CSA/RCA and AKT courses | One course attendance per trainee. |
| HEE commissioned simulation courses, CSA/RCA or AKT support | One course attendance per trainee |
| BLS training | One attendance per trainee in ST1 if not offered by trust or GP placement. To be completed within first 6 months of training |
| Child protection training | Normally provided at CCG or Trust level. Online training available at e-Learning for Health. Please see the RCGP guidance at: Safeguarding requirements |
| GP update/red whale handbook | For all once in either ST2 or ST3. Usually via the local Training Programme or if not offered then will be approved. |
| IMG support programmes | Trainees will be contacted if relevant. Should be taken in self directed study time or study leave in discussion with TPD |

Specific courses for trainees identified by educator team as requiring extra support

| Course | |
|-----------------------------------|---|
| RCA/CSA/AKT package | At discretion of HoS with support of AD/TPD |
| Consultation Skills Course | At discretion of educator team |

AMBER List: **MAY** be approved

Any requests for courses not listed above should be discussed with your educator team for support but final approval is down to the Head of School/Primary Care Dean, but no funding is guaranteed.

For example, attendance at an RCGP conference, or similar, might be approved if it helped you meet a specific curriculum competency, or if you were presenting a piece of research you had undertaken.

RED List: **will not be approved**
