

Practical tips to help you survive and thrive on the wards

They're back!

Cardiology Survival Skills

Free live webinars for medical students and foundation doctors

Our one-hour sessions include 40 minutes of high quality teaching, followed by 20 minutes Q&A and discussion about careers in cardiology.

Subjects include:

Practical guide to ECGs, murmurs, chest pain, tachycardia, bradycardia and heart failure.

7pm start for all sessions - beginning on Thursday 6th March 2025

Every Thursday 7-8pm on MedAll (except two week Easter break).

2024 sessions attended by 1430 people.
93% of attendees felt more confident in the topic after the session - 'The best ECG training ever'.

Sign up **free** to Medall

All medical students, doctors and allied healthcare professionals welcome! Attendance certificates will be provided.
