provide the core
knowledge and
confidence needed
to get involved
in research

Research Starter Skills

Free live webinars for
medical students and
foundation doctors

Our one-hour sessions include
45 minutes of high quality teaching,
followed by 15 minutes Q&A and
discussion about careers in
academic cardiology.

Subjects include:

- Protocol design
- Systematic Review & Meta-analysis
- Medical Statistics
- Research Publication
- Critical Appraisal.

**Sessions will take place on various
Tuesdays in September, October, November
and December from 7pm - 8pm starting
Tuesday 23 September - scan the QR code
for session topics and dates.**

All medical students and foundation
doctors are welcome to attend.
Attendance certificates will be provided.
