

Mapping evidence for verifiable CPD

Name of course provider: **E-Learning for Healthcare**

Subject of CPD: Online module Tier 1 training for The Oliver McGowan Mandatory Training on Learning Disability and Autism

Please note we cannot validate the person who attended the training nor the date that the training was completed. It is the learner's responsibility to provide the relevant attendance certificate alongside this mapping document to verify this.

Aims and Objectives:

This resource has been co-produced with people with lived experience of a learning disability, autism, or both, along with family and parent carers, parents, professionals and other subject matter experts across a range of services.

The content is mapped to Tier 1 of the Core Capabilities Framework for Supporting Autistic People [1] and the Core Capabilities Framework for Supporting People with a Learning Disability [2].

Learning outcomes:

After attending this course, learners will be able to:

- Relate to what happened during the care of Oliver McGowan who was a young autistic man who died in hospital and how these can be avoided in the future
- Give an example of how you can support a person with a learning disability or an autistic person differently
- Identify any changes in practice needed to enable excellent care and services for people with a learning disability and autism

Anticipated GDC development outcome(s): A, B, D

Total number of hours of CPD undertaken: 1 hour 30 minutes

Please note it is the learner's responsibility to provide the original certificate of attendance showing the length of time taken alongside this mapping document.

This CPD is subject to quality assurance by (name of person or body providing the quality assurance): **E-Learning for Healthcare**

Provider to complete: Confirmation from the provider that the information contained in this document is full and accurate:

This mapping document is designed to enable this training activity to be used as verifiable CPD under the GDC Enhanced CPD scheme. The training materials have been quality assured, and NHSE WT&E have collaborated with the provider to enable access to this training for members of the dental team.

Signed on behalf of NHSE WT&E

Date: September 2026

Reflection

Reflection is an important part of CPD, and details of how this course has impacted on your practice should be added to your CPD Activity Log. Please remember to reflect on what you have learnt, your experience and how it applies to your role including what you have changed or implemented as a result of attending the course.
